Detailed description

This luxurious villa is ideal for couples, families and groups who love special things as well as for companies who are looking for an extravagant location for employees or business partners. The object will satisfy any aesthetic and functional demands. "Hasta La Vista" gains points with cool understatement. Once you drive up the mountain on a somewhat dusty street, you will see a multi-level main house with two flatter natural stone attachments on the right and left where you can comfortably park your car. Everything suggests the size

and style of the property, but not the beauty and cool-classic elegance hidden behind it. Well-kept green grass areas offer a wonderful contrast and make the expansive property look even brighter. Who wouldn't want to at least once walk down stairs to the pool, let your robe fall and dive in... You can also hang out in the heated pool during the cooler season. You can quickly wash off the saltwater in the outdoor bathroom with a shower (under the pool). Expansive terraces created on different levels, some of which are covered, and a shaded pergola offer you to practice "laissez-faire". High-quality loungers - some with extra additions and sun umbrellas - are distributed generously throughout the property; a large white lounge corner additionally provides for a perfect time outdoors. Your thoughts will travel far with the clouds or creative ideas will come out of nowhere. In the covered, fully-equipped outdoor kitchen, you can quickly prepare snacks or food together and even have a cool refreshment within reach at all times. Perfect holiday! The interior of the house opens up many treasures. And

there are many. Such as the professional "high gloss" kitchen that looks like it came right out of a Miele advertisement: white paint, countertops that you can see yourself in, the long dining table that would be perfect for work meetings, exclusive accessories such as a Miele coffee machine - everything was thought of here. Couches in a stylish grey or warm raspberry red invite you to spread out, take a short siesta or watch football on television. Minimalist accents and wood elements give the simple elegance the right framework. From the entrance to the left, you can take a long hallway to the first thress - wheelchair accessible - bedrooms, each with a highly modern bathroom (one with a bathtub), noble wooden beds and direct access to the terrace. Dabs of colour put the discrete equipment perfectly in scene. There are five more bedrooms with bathrooms on the top floor, all en-suite, and three with access to a large terrace. The house has two additional apartments on the pool level each with two bedrooms and en-suite bathrooms for eight more people. These units can be

additionally booked - more information on request. You can also hold all types of celebrations at the villa, such as weddings and other events for a possible fee, however, these require prior agreement and approval by the owner. Of course, this villa is also the perfect starting point to easily discover the beautiful southeast of the island: small, picturesque Felanitx, nearly right around the corner, attracts with tight alleys, cafes, one of the oldest churches in Mallorca and the liveliness of the Sunday weekly market. Sailing fans are well catered for at the impressive natural fishing harbour from Portocolom and can dream of their big travels across the seven seas in its rustic bars, pubs and typical Mallorcan restaurants. The city itself is worth a visit because its historic old town. Even the "Calas" - Mallorca's natural and sometimes not easily accessible beaches and swimming coves - are within easy reach and waiting to be explored. The name of the villa says it all: you will want to come back! Hasta la vista - see you again until next time!

Simply perfect! We enjoyed our stay with our family and friends. Thanks to the generosity and the very high-quality equipment of the Finca Hasta La Vista (from the top equipped kitchen to beautiful bedrooms, each with its own bathroom, all seating facilities in the Outside area, the wonderful pool, the fantastic view to the outside kitchen with grill, refrigerator and dishwasher) no wish remained unfulfilled, nothing was missing! Many thanks also to the owners, who always had an open ear for questions during the planning and during our stay! We all had an unforgettable time at Hasta La Vista and want to come back :)

The finca "Hasta la Vista" is located in a beautiful location in the southeast of the island and offers a special panorama. We were a group of 12 people of different ages (25-65) and the finca had something for everyone. Both outdoor and indoor leave nothing to be desired. Here everything was thought out and furnished to perfection. The landlord couple is extremely friendly and endeavors to answer all outstanding questions before arrival and suburb. We are excited about the finca and would definitely come back!
