Detailed description

Elegant villa "Mirte", located in a beautiful coastal town, is surrounded by a wonderfully large outdoor area with a contemporary design. Apart from the well-manicured and extensive lawn, there is also a sloping saltwater pool which forms the heart of the estate. It is framed by palm trees and grass, lending a delightfully Mediterranean holiday charm to the entire place. This idyll can be enjoyed to the full because of the adjacent sun terrace with loungers and umbrellas. A screen around the property ensures the essential privacy. The terraces spread around the villa offer you the right place at the

right time of day to appreciate Mediterranean temperatures or provide you excellent shady areas. The generous sitting areas turn out to be ideal places to enjoy a meal together which you perhaps prepared beforehand in the tiled BBQ area. The supporting columns framing the terraces highlight the already opulent impression given by the villa and provide a unique perspective of the garden landscape. This results in a special holiday feeling that will surely linger with you. You definitely must have realised that some exterior images of this house were created digitally with CAD software. We ourselves were on site, had a close look at the place and are confident that Villa "Mirte" is an absolutely brilliant property of its class. We shall send the analogue photos from Fincallorca at the next opportunity but we are now giving you the chance to book this gorgeous house. You enter the villa through a massive, grand wooden door. The tiled floors, wooden window frames and terrace doors, and the contemporary and brightly-coloured furnishings create an inimitable atmosphere and the right sense of well-being, which are found not only in the lounge with the comfortable sofas

but also in the tiled fireplace. The six large double rooms (the pale one on the ground floor is not available for guests) also captivate with their individual charm and contemporary design. One of them has direct access to one of the surrounding terraces. There are wooden details throughout the villa like the large dining table with vintage-style wooden chairs. The kitchen is a wonderful place where you can spend evenings together cooking with fresh local products. It has a white high gloss kitchen, a dining table (naturally there is also a dining room!), a dishwasher and lots more, plus all the amenities that you need to have a self-catering holiday. The two baths with a spacious shower are especially stylish and brightly furnished. They also have wooden fixtures and fittings in keeping with the elegant interior design of the whole villa. An original structure with contemporary and vintage style elements awaits you in

this stunning house, providing you with a comfortable place to spend your holiday together in any weather. Mallorca's east coast is diverse and has something for everyone. From long sandy beaches to forest, dunes and stone bridges, everything that makes your holiday heart beat faster, is here. Sa Coma is 70 km to the east of Palma and is one of the most beautiful holiday destinations in eastern Mallorca. With its 890 m long bathing beach and adjacent promenade which seamlessly transitions into the waterfront promenade of S'illot, there are wonderful ways to relax or take long walks towards the sunset. For a day of action during your holiday you can head to the safari park to the north, the perfect place for an entertaining family trip. The villa is situated in a quiet area of the coastal town, nonetheless a road and entertainment establishments are either adjacent or in the immediate vicinity.

The house is in a very well-kept condition. The kitchen with enough glasses, plates, cutlery etc. 8 bath towels, 8 shower and 8 towels. Many sitting possibilities, several roof terraces, super loungers and chairs. Sufficient parasols. Very courteous hosts with very good accessibility. The proximity to the beach and the quiet location. Sa Coma a beautiful place and good starting point for other bays / beaches. You can park several cars in the driveway. The bedrooms with ceiling fan. The grill's got a little old. Table tennis table. Several clothes horse. Big supermarket in town. A beautiful garden with lighting. We were there as a family, all adults. And everyone said anytime again. It was a nice vacation in a great environment. The evaluation always in the price-performance ratio. And corresponding to what we paid for the week, the Finca has absolutely fulfilled our expectations. We were in contact through WhatsApp. One hour before arriving I have written to the landlords and she was punctually at the Finca and has waited for us. Kindly asked about the departure, at what time we planned it. Informed us that new guests are expected on the day of departure. Short coordination and on the day of departure she and her brother were on the spot again on time and asked how we had liked it and wished us a good homecoming. Everything as described. Really good hosts!
