Detailed description

A spacious area with a house, next to it a palm tree. In the background, the mountain backdrop, in front of it: vastness. Does this make you want to pack your bags immediately and spontaneously move into this inviting home to take a pleasant break from everything? Allow yourself a little more time of anticipation before you actually end up standing in front of this cute ground-level house to call it home for a while. Facing south, with a view of the pool with a shower near the house as well as the beautiful old trees that border the estate, you can already tick a few items off the list, but that's not nearly

all. A covered terrace directly by the house provides much-needed shade here and there, airy awnings stretch across additional open-air space, and there are several seating options to choose from. Sitting at the beautiful wooden dining table, conveniently accessible from the kitchen, almost feels like you're in an outdoor living room. Add some music from the stereo system, savour tasty treats – perhaps from the BBQ – and watch as the garden is gradually draped in evening light. A football goal is available to let off steam, so the little ones can also get their money's worth here. 150 m² of individual ambience awaits inside "Sa Vileta". The combined (and air-conditioned) living/dining room welcomes you with a cosy atmosphere. Its floor-to-ceiling windows create a wonderfully fluid border between the inside and outside – if you'd like, you can run straight ahead and wind up in the pool from here. With the comfortable sofas, the small cast-iron stove, and the flat-screen TV, you're also ideally equipped for cooler evenings. Additionally, the dining table offers the option of great indoor dinner variants. Right next door: the kitchen. Fully equipped (including a large double refrigerator and other high-quality

appliances), with pretty, dark fronts, this room not only offers a great view and direct access to the greenery, but also space for a round table at which you can casually enjoy a coffee or snack. Three comfortably designed bedrooms – two of them double bedrooms and one triple room for accompanying children – as well as two bathrooms, one of them en-suite, complete the pleasant house in which families in particular will feel very comfortable. Around Sineu (14 km), Costitx (12 km), Sencelles (11 km), and other towns, you will encounter

an inviting mixture of tradition and modernity. With its well-connected infrastructure of the location and a road leading past the house, the surrounding towns are quickly reached. In Sencelles, one of the cafes will surely win your heart, and at the Observatorio Astronómico, you can gaze at the stars every Friday and Saturday evening. In Inca, you can try your luck in the Pagessos outlet of the venerable luxury brand Lottusse. And the fact that you reach the capital city of Palma, as well as its various beaches, in 30 minutes makes the villa's great location even more attractive.
