Detailed description

When the gate to your villa "Miguelina" opens, you will find a stunning sight: past the decorated outside facade made up of various combined stones and the terrace which is protected by massive stone arches, the property immediately radiates the timeless elegance of an antique building. There is no question about it – the long table on the terrace is perfect for letting long, relaxing days unwind and enjoying delicacies prepared directly on the built-in BBQ. The terrace borders a lawn with an embedded 10 x 4 m lake-shaped pool. You can dip into the cool blue waters via the lovely steps decorated with

a mosaic, and start your day with a morning refresher. At the edge of the lawn, you will find plenty of loungers for the occasional comfortable break where you can take a breather. You will also be fascinated by the distribution of the sometimes gnarled but story-telling trees across the estate. Spiralling plants wind from the terrace edge up toward the thatched roof where the greenery provides the house with a welcoming appearance. From the terrace, you can directly access the ground floor of the house. In the living room, mighty stone blocks in the walls create cosy accents and will invite you to enjoy a meal and a drink at the dining table. This living area, where you can enjoy a fun holiday film on the two spacious, sky-blue sofas, borders the fully equipped kitchen where you will find an additional dining table. The house is equipped with crockery and housewares, an oven, toaster, coffee maker, refrigerator, deep freezer, microwave, dishwasher, washing machine, and iron, allowing you to look forward to a high level of comfort and relief from household chores. The washing up can therefore be sorted out quickly, and nothing will prevent you from enjoying hours of island sun in your favourite

spot. In terms of sleeping arrangements, the house includes three double bedrooms as well as a gallery with a high-quality sofa bed which can be reached via a set of stairs. This is the ideal retreat for traveling kids who will enjoy the sheltered cave-like characteristics of this sleeping area under the roof. In addition, there are two bathrooms, one of which is en-suite. You will find a hairdryer and vanity mirror in both bathrooms. You will find plenty of linens and towels in every room. There is also central heating throughout the entire house, ensuring a pleasant temperature in every room of the holiday home year-round. Situated in a quiet location, this villa is surrounded by a characteristic Mediterranean

landscape with a view of the Bay of Alcúdia and the countryside idyll. This house therefore offers the perfect location for an unforgettable holiday to everyone who loves tradition, tranquillity, and nature. One area of the property offers you a truly spectacular view of the surrounding hills. The house is just 7 km away from a beautiful white, sandy beach and 5 km away from Santa Margalida. You can do your daily shopping in Santa Margalida. Here, you will find a number of supermarkets, patisserie bakeries, and restaurants. We especially recommend the breakfast bar "El Sol" at the sandy beach of Son Serra de Marina. Have brunch in style while looking out at the beach and the water, and on Sundays there's even live music.

Very nice finca. Quiet location close to the beach.

★★★★★ reviewed by Herwig on 01.11.2018

A few minor technical problems that were solved quickly did not disturb the overall impression. Everything else was vanity, bliss of sunshine.
