Detailed description

Villa "Son Talent" sits enthroned atop a hill, surrounded by wonderful countryside. In the utter seclusion of the property's terraces you can truly enjoy the fantastic panorama over the Pla de Mallorca – green flatlands extending right up to the Tramuntana mountain range. The scents of lemon, mandarin and orange trees, as well as blooming oleanders, surrounds your holiday home; a large, old olive tree underpins the cobblestone villa's picturesque, natural character, conferring shade on its surroundings. Get away from it all on the covered terrace: accompanied by either a hearty meal at the long

dining table or with an exciting book in the comfy lounge area including a daybed – as long as there's a pleasant breeze, it's comfortable here even in the midday heat. The second terrace, surrounded by a pretty rose-coloured little wall, also houses a dining table with matching chairs – from here, you can keep an eye on the children splashing around in the walled pool or kick back on one of the brightly-coloured sun-loungers and enjoy the sun's warmth. And when you step inside the villa, you feel right at home straight away: it's lovingly designed down to the finest details – and you'll definitely notice! In the spacious living area with bespoke shelves on the wall a comfortable leather sofa awaits you – with a view of the impressive aga, which crackles beautifully of an evening. The living area with the high-quality stone floor has direct access to the dining area, where the whole group can enjoy culinary delicacies around the large table. These can be prepared in the open-plan and extremely modern kitchen, equipped with all manner of amenities and with a monochrome aesthetic. Spread across the whole house, which boasts stylish dark roof beams, you'll find art from all over the world, from

colourful paintings to original Buddha lamps and shimmering gold angel-figurines. Should you wish to retire to bed, then choose from one of the four beautiful, individually designed bedrooms, each with a wooden floor giving a warm appearance. You'll be spoilt for choice: how about the "Feng-Shui-room" for example with Leonardo da Vinci's famous depiction of Vitruvian Man on a copper-brown wall? Or unwind in the "Buddha-Salon" with its bamboo and powerful violet colour scheme. In the "modern style" bedroom with kiwi-green accessories, you're also sure to feel at home or there's also the "postmodern green salon" with visible concrete and a dark-green wall. It house both a double bed and a single bed, great for an accompanying child. The bathrooms have an equally individual design: all of them feature a modern walk-in shower and each have a consistent colour scheme. Thanks to the spaciousness of

the rooms, "Son Talent" is an excellent place to host any kind of seminar or workshop – from painting to sculpting and yoga. Should the group be large than nine, then the villa owner can offer addition places to sleep nearby. "Son Talent" has a wonderfully quiet location, though you don't need to drive to the other side of the island for the daily shop or a wander around the shops. Manacor is the second-largest town in Mallorca, has a huge amount of character and is only around 4.5 km away from your dream holiday home. Lovely days at the beach can be spent on the beautiful Calas in the east coast for example, which can be quickly reached in your rental car at only 15-17 km away. A visit to Porto Cristo, only 11 km away, is also worthwhile: you can take a wonderful stroll along the harbour promenade – a slice of life in a Balearic island, and definitely not to be missed. You can discover the "underworld" in the "Coves del Dracs", the series of stalactite caves near Porto Cristo.

Very nice finca, totally quiet situation, fast at the beaches. Beautiful view of the landscape. Pool is OK in size, but you can't swim the lanes ;-)

We had two weeks beautiful summer holidays at Finca Son Talent. A great and spacious house, away from the hustle and bustle. By car, you are fast on the beach or for shopping. Palma is also reachable in about 45 minutes. Top care by Mr. Siegel, who has always Tipp's ready. Everywhere in the house is great Wi-Fi reception.

We had beautiful 10 days on the finca and were completely satisfied with this. The rooms are spacious and equipped so that we lacked nothing. The bedrooms are located in the basement and the windows or doors have lockable shutters, so the bedrooms did not heat up so much during the day. Shopping is possible by car in nearby Manacor within 5 to 10 minutes, the travel time of 20 to 30 minutes to the various beaches in the area is worth to take if you want to spend a day on the beach. The finca is quiet in the countryside and has a fabulous view, which we really enjoyed. Especially the sunset on the covered terrace has something special. The pool is big enough to cool off and is regularly cleaned and maintained. All in all, the support provided by Bernhard deserves special mention. He was always ready with a solution to problems and had always a few tips for trips in the area ready. In the completion of the necessary work (pool cleaning, flower casting, etc.), he was always cautious and not disturbing. Thanks again for the nice days.
