Detailed description

The villa "Can Mates Nou", enclosed by an airy shrub hedge, welcomes guests to its idyllic, rural atmosphere. Extensive gravel surfaces surround the front of the house, the well-designed garden interspersed by inviting terraces, tiled with decorative natural stone slabs. The pool, located in close proximity to the house, helps shape the special maritime flair, emphasised and embellished by both high palm trees. The pool is tiled with pretty blue mosaic tiles and features a comfortable staircase entry. Conveniently, an outdoor shower is also available. There are plenty of comfortable sunbeds,

offering you the possibility to lavishly relax between refreshing dives into the pool, perhaps over a cool, delicious drink. Depending on the time of day, the garden offers some cool shade to escape the heat. Children staying here will love playing and romping about on the handsome lawn. The roofed part of the terrace, adjacent to the property, offers a splendid solid dining table to enjoy your convivial dinner outdoors. Whether for breakfast or during a culinary evening barbeque - this beautiful property with a gorgeous view of the green garden and Mediterranean sky will woo guests at all times of day. Conveniently, you can enter the house directly from the terrace, with its outstanding design incorporating the clear and sophisticated lines of the exterior area. Harmonious colours on ceilings and floors, bright walls, and wooden furnishings merge together to create a delight, homely ambience. At the same time, you will enjoy the spacious feel of the place. Even at full of this villa, you will always have the opportunity to seek out a quiet and secluded private space. The spacious living/dining area offers you the chance to relax on two comfy sofas, perhaps with a

magazine, a good book, or even an entertaining film on the TV with satellite connection. At the large dining table, you can enjoy your dinner inside together. The modern kitchenette, furnished to a high standard, offers everything you need for everyday use. A filter coffee machine and an electric kettle are also part of the equipment. Spacious and very tastefully refurbished bedrooms entice you in for a lovely restful night. Two beds of 1.50 x 1.90 m and four of 0.90 x 1.90 m are available to enjoy a deep sleep until you wake up more relaxed than ever before. Three naturally-lit and selectively outfitted modern bathrooms offer comfort

and space. The rooms include irons and hair dryers, so you do not need to bring them along. For small excursions, you should, among others, certainly visit the exciting and pretty harbour of the former fishing village of Colonia de Sant Jordi (19 km). If you love to visit the beach during your holidays, the villa "Can Mates Nou" is a great fit. The most beautiful beaches of the southeast coast, such as the family-friendly beach Es Trenc, are located close-by and can be easily reached with a hire car. If you would like, you can also explore a different, unique cove here every day. After a fulfilling day of excursions, you can return to your holiday villa and let the day come to an end just as you please.

The Finca had been cleaned only a little bit superficially. Everything else is fine. We would definitely book them again if we came back to this corner of Mallorca.

The location is good, you have your peace. Shops are within easy reach. The outdoor area is top. Kitchen, bathrooms and bedrooms should be equipped a bit higher quality.

The **fincallorca**-Team:

Thank you very much for your feedback! The owner appreciates your suggestions and will make every effort to examine the criticized aspects thoroughly and correct them where necessary. We hope to welcome you once again to the island!

Was very nice, nice pool. Only the heater failed twice. However, always helped immediately.
