Detailed description

There are properties that almost do not require a description of their beauty, as pictures speak more than a thousand words. "Can Magnus" is very clearly one of those properties. The outdoor area presents a luxurious pool and garden area that has been carefully and extravagantly designed. The stylish pool landscape consists of a large sun terrace made of wood that surrounds the large private pool. The pool is very comfortably accessible via broad stairs and tiled with decorative mosaic stones. The sunbeds invite you to laze around under the Mediterranean sun. Parasols are of

course provided to protect you from the strong rays of the sun. The adjacent outdoor bathroom saves you a trip to the house. The children like to frolic around? No problem, they can use the freestanding trampoline and playhouse. Adults will certainly be drawn to the bar, refurbished in 2015 and fitted with a beer tap. Here, you can spend many relaxing hours while enjoying a nice, cool drink. Or stretch out on the relaxing roofed lounge, located behind the pool from the house. Enjoy the sophisticated and all round tasteful ambience that surrounds you here. There is enough room for everybody at the large dining table you will find here. The vast patio that stretches over multiple corners allows for breezy and dapper relaxation. You can use the first-class outdoor furniture to let your mind wander while overlooking the distant hilly landscape. A perfect spot to enjoy a steaming cup of coffee in the morning. In the evenings, the barbeque will tempt you to prepare and savour dinner together with delicious regional ingredients. The sporty vacationers will be glad to find a ping pong table, allowing for a lively exchange of strokes until you have worked up a sweat. The balcony offers a

further attractive outdoor seating option. Here, you can sunbathe in private while enjoying the luxury of a phenomenal view. The splendid outdoor sauna perfectly rounds off the exciting outdoor facilities. The interior of the villa is characterised by a modern, tasteful, and at the same time subtle design- The main colours in the open and light-flooded rooms are cream and skillfully harmonising contrast colours. Aesthetic paintings and unique decorative pieces on the walls complement the homey and sophisticated atmosphere. The large living room is equipped with no less than four sofas and an armchair. Here, you can relax to your heart's content whenever you like. Enjoy reading a good book, having a lively talk, or watching an exciting film. For your convenience, a satellite TV is installed here. The handsome dining area is located directly adjacent to the kitchen. The long dining table offers ample space for ten people. Bright colours and exceptional furnishings guarantee a very pleasant ambience. As the villa is fitted with heating and a fireplace, temperatures remain

comfortable year-round. The spacious kitchen delights with its modern design and high-quality facilities. Here, you will find everything you need to meet your daily needs as well as ample storage space. You can comfortably prepare meals together with several people without getting in each other's way. The very individual and sophisticatedly refurbished bedrooms guarantee pleasant tranquillity and the highest comfort. We're certain that everyone will find the perfect place to sleep here. The tasteful design seen in the rest of the house is on full display in the bedrooms as well. These feature a highly modern style with excellent facilities. Alcúdia's historical old town and its attractive historic buildings invite you to explore and enjoy. On market days, several old town streets are closed, allowing plenty of space for a versatile range of goods. The long bay of Alcúdia is partially completely unspoilt. Overall, it offers 30 km of beach. The beaches are broad and flat, rarely see high waves, and are therefore optimally suited for families with children. The famous "Alcanada Golf" gold course is just 6 km away from the villa "Can Magnus".

Very nice finca with everything you need for a relaxed holiday. Alcudia is very close, as are shopping facilities. The outside area has a small kitchen, a bar, a tap, toilets and a shower, so you can easily spend whole days by the pool. There are minor defects in the house, but these are typical of Spain. In case of problems the technician was quickly on site, had to come several times but problems were solved.

Location of the accommodation ideal, front desk excellent, further service a bit poor.

Have been to Can Magnus two years ago and loved it. Just a tip in every area. 10 people and each only 5 stars. Unfortunately we can not say that anymore. Sanitaer totally worn out. Dirty in some of the rooms, broken (fixed with tape) must be in the lower area, as the faucet is no longer tight. Air conditioner is no longer valid. The swimming area unfortunately full of Voegelsch and not eliminated (so beware only horrible) It was a wonderful holiday only the finca is just in need of repair. Too bad that such a showpiece of finca soo has broken down We are in pain because we were so happy. Big comfort according to Juan will be repaired and overhauled next year. Unfortunately for us too late and we all find together, why not fix problems during the year because then not sooo negative reports have to be written. Sorry We'll be back, but looking for a new finca.
