Detailed description

As a new arrival to the villa "Sa Teulera", you will immediately be enchanted by the impressive, lush green area that extensively surrounds the equally imposing building. Well-maintained lawn areas, high palm trees and other Mediterranean plants characterise the view, as do diverse, welcoming terrace areas, stairs, little walls and original decor. Numerous seating options in the airy shade or beneath the open sky tempt you to enjoy the pleasure of doing nothing, providing you with comfortable opportunities for an all-around wonderful time in the outdoors. In the covered, semi-open former

barn, you can sit comfortably or play table tennis. The picturesque arched windows and the old agricultural equipment convey an incredibly rustic flair here. The slightly elevated pool offers the option of a refreshing swim on warm days. The pool is accessible via a ladder and equipped with a lounge area. A total of six pool loungers await for lavish sunbathing. Depending on the time of day, you can also find beautiful spots of shade on the estate that are perfect for relaxing and unwinding. As far as finding favourite places goes, the sky is the limit on this property. On mild evenings, you can choose one of these very spots and celebrate a culinary barbecue amidst good company. Delicious regional ingredients can be ideally purchased at one of the nearby markets. A fine and aesthetic ambience awaits guests inside the villa. An open living/dining room, with several entry points to the terrace, captivates with its tasteful exposed-beam ceiling design, walls painted in warm tones, harmoniously coordinated tiles, and carefully selected- and combined furniture. On cool evenings, the fireplace gives this living space cosy warmth, so that you can enjoy a sense of comfort all year long. But that's not all: the house has a

further living room, in which you can also find a fireplace, a sofa and dining room fittings. The TV with satellite connection is also installed here. So even if you are traveling with a larger group, this holiday home still offers you plenty of spots where you can appreciate a bit of privacy when needed. The bright, modern modular kitchen offers everything you need on a daily basis. Amongst other things, this includes a kettle and both an Italian- and a filter coffee machine. You can also excellently prepare meals here together with several people without getting in each other's way. Very individually- and romantically designed bedrooms promise peaceful nights and deep rest. A bed measuring

1.35 x 1.90 m, one measuring 1.80 x 2.00 m, one measuring 1.60 x 2.00, as well as five measuring 0.90 x 1.90 m are provided. The two bedrooms with en-suite bathrooms, as well as the dining rooms, have air-conditioning. The bathrooms have been designed in a cheerful manner and are supplied with pleasant natural light. If you are in the mood for a city trip, you can reach a larger town like Inca (about 8 km away) in just a few minutes by car. This happens to be a great place to buy shoes, since this town has a long tradition in all things leather. A visit to the weekly market in Sineu - held every Wednesday - is definitely worth your while. For a great day at the beach, you can't go wrong with the beautiful bay of Alcúdia.

The outdoor area was fantastic for our 2 families. Beautifully laid out, a lot of space and a little out of the way, so the kids can move freely and sometimes be loud. The pool was tiptop and nicely done. Unfortunately, it is teeming with aggressive mosquitoes, which literally attack you in the morning and in the evening. Also inside it has a lot of space. Some bathrooms newly renovated. Mattresses are very different, from very comfortable to quite hard, everything is available. The kitchen is well equipped, except for a vegetable peeler, we found everything we needed. Little trouble: capsule machine and DVD player were missing. Both were brought on request. The capsule machine, however, we had to repair first, the player was missing the remote control ... so there were the films only in English. Overall, we felt very comfortable and recommend the Finca happy!

We had such a great holiday in the Finca Sa Teulera! Our landlord Juan was always friendly and fulfilled all our wishes! Such a landlord you want more often! The rural area is lovely to relax and to enjoy with such a property very much. The pool is great! Also the place Sencelles offers everything, what one needs. Supermarkets within 5 minutes walk and a bus stop from which Palma can be reached in just 40 minutes by bus. Also a really very good restaurant with delivery service can offer Sencelles. We would come back anytime and can recommend the finca to anyone: be it young groups of friends (like ours), or extended families. It was just great! Big thanks also to Fincallorca for answering every question at top speed. Very trustworthy company :-)
