Detailed description

"My home is my castle" – you may say this with pride while living in this holiday abode – because the small, round tower makes the villa look like a pretty, little castle. And the large well-tended estate is a feast for eyes too; it even has its own mini-golf course. This hideaway will offer you and

your loved ones a wonderful break from the drudge of daily life; surrounded by gentle hills, fields, and forest, it is in an exquisitely secluded location. At this location you do not need to worry that the children might be too loud, because you are all alone. Curl up in the roofed chill-out lounge in the garden and enjoy a glass of fine wine from the neighbouring Felanitx wine-growing region, which is the island's second largest. You can see the swimming pool directly from here and look forward to swimming a few laps in the cool water. In the background, you can hear the laughter of the children having fun while playing tennis. And then we have the basketball hoop... It is magnificent when you can finally relax again and have time for the finer things in life, for instance, listening to the crickets chirp, feeling the sun's warmth on your

face or going on a walk through the wonderful, Mallorcan countryside with its old golden cottages. The villa itself exudes a magnificently Mediterranean charm which is noticeable in every room. The dark woods often used in Spain are avoided here. Instead you will find soft brown and cream tones which perfectly match the sunny lightness that you can experience in the villa "Sa Sinia Binifarda". This summer-like ambience is supported by colourful textiles, e.g. in the form of pillows and through the large windows, thanks to which lots of daylight can pour in. The spacious living room with a dining corner that invites you to linger also benefits from this. With its harmoniously designed interior and the visible joists and stone walls that ensure cosiness, the room radiates a lot of peace – a fantastic place for evening reading sessions. The fully equipped kitchen provides everything a self-caterer could ever desire, the worktop built into the middle of the kitchen is especially practical. This makes it possible for many big and small helping hands to support the

"chef" in their work. The villa also has four wonderful, bright bedrooms, some of which are furnished with double beds and some with single beds. One of the double rooms will be especially popular with the guests, because it has a walk-in closet most people only dream of at home. The house's bathrooms are also laid out stylishly and in a friendly manner. This villa is simply a dream for everyone seeking absolute quiet and privacy. You can reach many fantastic tour destinations in the environs by car such as the magical little town of Felanitx some 7.4 km away, where the weekly market is held on Sundays. It also has many small shops, restaurants, and typical tapas bars. Reserve a table at the Cas Sóller restaurant, because the food is as good as it looks. Golf enthusiasts will find happiness in the Vall d'Or golf club 7.6 km away which lies embedded in a fantastically beautiful backdrop. Beaches like Cala Sa Nau, just 9 km away and suitable for snorkelling, provide plenty of swimming pleasure.

The owners were very friendly. The Finca corresponded exactly to the expectations and the description. All in all recommendable for a quiet holiday far away from tourism and in the middle of nature.

★★★ reviewed by Bernd on 20.08.2019

Unfortunately the real estate did not meet our expectations and the statements according to your documents (web etc.). The Finca and the outside facilities are from our point of view not completely finished and seemed imperfect (Example: Entrance without gate / garden partly not laid out, imperfect/ electrical supply inadequate i.e. no or limited number of sockets 220 V / windows partly not openable (ground floor) and in the upper floor doors did not close. Furthermore David was every second day in the facility / house at times that disturbed the privacy very much (always between 19-20 o'clock). Very unpleasant especially at dinner. Wives came unannounced on Sunday at 12 noon to change their clothes. Pool beds very very bad (qualitative as well as dirty), parasol defective (at the arrival all defective, new ones were then provided by David who also could not withstand a gust of wind. Three times we had to rescue them from the pool and once our daughter was injured by a "flying" umbrella on her head/shoulder. Quality pool (water) became worse from day to day! The interior, on the other hand, was ok.

The **fincallorca**-Team:

Thanks for your rating! We regret that you were not so satisfied with your holiday home "Sa Sinia Binifarda". In principle, we are happy to recommend that any complaints be reported immediately on site so that remedial action can be taken as quickly as possible. Browse through our extensive portfolio, we are sure that your dream finca will be there too!

The Finca is beautifully situated in the hinterland, surrounded by Mediterranean plants and has a great view. Everything was very clean and maintained and the landlords were incredibly nice and helpful. Every detail of this finca is so beautifully and lovingly arranged, the furniture, the arches, the bathrooms, the walls and outside facilities. We missed nothing and we had a really great, relaxing time. We'd go back there right away!
