Location of the Rural Villa in Mallorca

The very beautiful villa "Son Gall" is situated on a 30,000 m² estate in a quiet location near Porreres in the south of the island. It is surrounded by a 2,000 m² (!), widely branching terrace landscape with adjoining laws, which are ideal for a high-spirited family holiday with children. This is not just because of the enormous play area with a pool and a tennis court, but also due to the great location for example the proximity of supermarkets (the village of Porreres is just a few minutes away by car) and beaches.

Detailed description

Let's repeat what we have just said: This is the perfect villa for a high-spirited family holiday in the beautiful south of Mallorca. This is due to the perfect combination of the secluded location, beach proximity, and the availability of the pool, tennis court, as well as the enormous play and

terrace areas. The secluded location means that you will not be able to disturb anything or anyone - even if your children are playing a little bit louder. And the proximity to some stunning sandy bays in the south of the island gives you plenty of opportunities for great beach days (there are almost only beaches with a smooth, sandy entry into the sea). The pool with its sensational length of 15 m and the tennis court provide plenty of opportunities for sport and recreation. The 6 x 5 m entrance area to the pool is only 40 cm deep and therefore perfect for young children to splash around and play in. All of this could not be better integrated into the garden complex. Because both the swimming pool and the tennis court branch off from one of the property's terraces and it that way are able to offer their own kind of privacy. This

means that those playing tennis will not disturb those out for a swim and vice versa. You can relax in an especially dignified way on the two Balinese beds installed by the pool. The clever installation of the extensive terrace landscape is ultimately the highlight of the property. With a size of 2,000 m², it is one of the largest in our portfolio. It offers numerous cosy places to sit, some of which are under ancient, gnarled olive, pine and carob trees, offering wonderful natural shade. There are also covered terrace areas. All furniture in the outdoor area is of an extremely high quality. The pavillion by the tennis court is especially attractive: You can sit here and enjoy the surrounding idyll well into the evening - at best with a tasty BBQ, for which you have everything you need! You can park your rental car in the shade on the villa's grounds (the garage on the floor plan of the villa is not included in the rent). The house can be entered from several parts of this terrace landscape. If you enter through the main entrance, you will find yourself in a large, foyer-like lounge and from here you can reach other areas on the ground floor. There is also a staircase leads that upstairs. Overall, there are three roomy, classically and stylishly designed double rooms available for your use. There are also two bathrooms, one with a shower, and one with a bathtub. The bedrooms have a modern air-conditioning system, meaning you will be able to enjoy comfortable temperatures even on hot Mallorcan nights. For media entertainment, the cosy living area features a flatscreen TV, as well as a CD and DVD player. In addition, all the bedrooms have televisions. On cooler evenings, the wood-

burning stove can conjure up some additional comfort, so that you can enjoy relaxing on the cosy sofas even more. Do you want to stay in touch with friends at home and share your holiday impressions? You can do this through the wireless SAT internet access. The kitchen is fully-equipped with a dishwasher, stove, oven, microwave, large refrigerator, filter coffee and Nespresso machine, as well as a washing machine and tumble dryer in the adjoining room, meaning that you will be excellently prepared for independent self-catering. You can enjoy delicious indoor meals in the elegantly designed dining area. Aside from that, tennis rackets and balls are available on site so that you don't need to worry about bringing them with you. There are also two bicycles available. Feel free to have another close look at the photos! You will notice how well this house has combined Mallorcan tradition with modern requirements. If you want to spend a family holiday in an attractive living ambience in the south of Mallorca, then the villa "Son Gall" is without a doubt, especially recommendable for you. For some, Porreres represents the rather peaceful, somewhat "different" Mallorca. Nevertheless on Tuesday mornings, half of the village can be found out at the weekly market. Aside from fruit and vegetables, you can also buy household items, clothes, and shoes there. A few locals sit on the benches and strum a few tunes on their guitars. The beaches on the east and south coast can easily be reached by rental car, making a spontaneous and relaxing day at the beach possible.

Everything is in perfect condition, a great finca. Petra has taken care of us lovingly. Always asked if we still need anything, it was all super clean, very nicely furnished. The Finca corresponds to 100% of the pictures. From arrival to departure everything is top. Even in Corona times. We will come back in any case...

The Finca as well as the whole property were in a very clean and good condition. We were very comfortable there. Petra (the landlady) was very helpful and friendly. The entire service was very courteous. I'm sure we'll be back.

The Finca son Gall is always worth a visit. Great house, great location and a towering pool area.
